

Do you have dust collectors left over from your accomplishments or your married children's that they left behind?.....I am talking about OLD TROPHIES, of course!

Annually, the Athletic Department and Adaptive PE sponsor and man a tee-ball field at the State Special Olympics in Hammond, Louisiana. We have become known for our trophies, cups and beads. The kids flock to our event.

If you have ANY type, sport, or size of trophy or plaque, and you need a place to donate them, please box them and pony them to the Athletic Department, Warehouse, 4600 River Road Marrero Louisiana. If you should have way too many to pony, please call our office at 349-8645 or e mail myself or paula.leblanc@jppss.k12.la.us, and we will pick them up from your school.

We will make sure your donation brings a smile to Special Olympians!

Thank you

Alex 'Manny' Barocco, Director
Athletics, Physical Education & Health
