League Report: Kathy did not have a report.

Lynda gave a brief report on Carla's behalf. Carla was concerned that the Flex League numbers were low and asked that everyone work on forwarding any e-mails to team members to get the word out on the Senior League. Need help in getting Seniors involved.

Community Report: Sharon reported that the deadline for Junior Team Tennis Registration is Monday, March 24th. Play starts Saturday, April 5th. As of March 14th, ten teams have registered.

Junior State Tennis Tournament has been changed to June 7th in Lafayette.

We have received 8 Junior Team Tennis Banners at no cost from USTA to put at Clubs where Junior Team Tennis will be played.

Still looking for sponsors for Junior Team Tennis.

As of this date we have not filled the vacancy for the Junior Team Coordinator. Was suggested that a job description be posted on our website.

Sponsors are also needed for the School Program. Lynda wrote an article and pictures were taken at Ella Delhonde Elementary on the Quickstart program to be placed in Southern magazine.

Open discussion on putting together a letter soliciting donations from the tennis membership and local businesses to support the school program. The opinion was that a letter telling what the school program was about and asking for donations from anywhere of \$5.00 up might be worth the effort for support from the tennis community. Pedro volunteered to draft a letter.

Marketing: Joan & Georgia reported on two bids received. However, after the last meeting, thank you notes and letterhead stationary were added . Joan asked that the budget be increased by an additional \$500.00, to cover these additional items. Georgia made a motion to increase the marketing budget by \$500.00. Celeste seconded. Motion passed.

New Business: Pedro briefly discussed the conference call he sat in on regarding who the Community Coordinators should be paid thru, the LTA or the local CTA. This all came about because of labor law issues. Initially it was felt that the Community Coordinator should be paid thru LTA. Guy brought up some concerns for clarification and Lynda was going to check into this further.

Lynda made a motion to adjourn. Joan seconded. Meeting adjourned at 7:10 PM

Respectfully submitted,

Joan Wolverton, Secretary
