3.01H Competition Format.

3.01H(1)a Local Match Scheduling

All team captains declaring City Park, UTC, or Audubon as their home court will submit court rental fees to the Level or Local Coordinator as instructed, (see 1.04A(2), who will schedule and reserve all team host matches at that facility. Scheduling will also be done for teams using their club courts, but any court fees and court reservations will be handled between the captain and the respective club.

3.01H(2)a Team Forfeits and Defaults

A team must have a minimum of four eligible players available for play in each match or the entire match must be forfeited. A team may forfeit a maximum of two positions in a match (one for Seniors, Mixed, Combo) without forfeiting the entire match. In such cases, forfeits shall be determined by the team captain in accordance with the following:

Singles. The No. 2 singles must be forfeited before the No. 1 singles.

Doubles. The No. 3 doubles must be forfeited before the No. 2 doubles and the No. 2 doubles must be forfeited before the No. 1 doubles.

If a team forfeits an entire match (plays less than 3 courts Adult/2 Senior, Mixed, Combo) for any reason during local league play, then all matches of that team, played or to be played shall be null and void. If all teams in contention to advance have already played the forfeiting team in good faith, the matches will stand as played. A committee will review any extenuating circumstances. Additionally, the local league administrators may impose sanctions against the captain and/or team members by denying entry into next year's league program.

3.01H(4) Team Lineups

Completed team lineups will be exchanged by the team captains simultaneously **five minutes before match time**. All points awarded for forfeits during the original lineup will stand. Any player involved in such forfeits cannot participate in a rescheduled match. Substitutes are allowed in team lineups after they have been exchanged if that individual match has not started and default time has not occurred. Substitutions are allowed for injury, illness, disqualification, or no-show of a player and when rain or inclement weather forces the cancellation and rescheduling of a team match. A substitute is defined as ... (See Sectional Rule 3.01H(4)a. An individual match is started when the first ball is put in play. Players in the New Orleans local league will observe a ten-minute warm-up, which includes serves. Default is fifteen minutes after scheduled match time.

Ineligible Players: Failure by the team captain to place a known ineligible player in either the lowest singles or doubles position may result in the ineligible player's team losing any individual doubles or singles matches won at the lower positions. The team captain who is playing a known ineligible player must notify the opposing team captain at the time team line-ups are exchanged by indicating a forfeit in the affected position.

3.01H(4)c Rain Delay & Rescheduling Matches

ALL MATCHES WILL BE PLAYED ACCORDING TO THE SCHEDULE UNLESS FACILITY CLOSES.

Teams must wait one (1) hour (day teams) and one half hour (night teams) to determine if courts will become playable. Courts must be playable by 10:00 am (day) "or" 7:00/split match, 7:30/regular match (night). This rule applies when teams arrive at a facility and it has just stopped raining (court can be dried) or rain is so light that it may stop raining within a few minutes (and courts can be dried). Do not exchange line-ups until courts are playable. **IF RAIN SHOULD OCCUR DURING PLAY, THE SAME RULE APPLIES AND THEN PLAY SHOULD RESUME.**

WHEN A DEFAULT HAS BEEN GIVEN PRIOR TO LINE-UPS BEING EXCHANGED, AND RAIN OR INCLEMENT WEATHER CANCELS THE MATCH, THE DEFAULT NO LONGER STANDS.

The host captain is responsible for rescheduling any canceled and/or interrupted matches. Canceled or interrupted matches must be completed within 2 weeks of the original match date. The host captain must contact the guest captain within 24 hours of the rained-out or interrupted match and offer (3) possible make-up dates. THE LOCAL OR LEVEL COORDINATOR SHOULD BE NOTIFIED OF THE RESCHEDULED MATCH DATE.**

If team captains cannot agree on a date and time for a rescheduled match and there has been no attempt to play the match within the 14 days, the league coordinator will then choose a match time and location. If the Coordinator chooses a date and time for the rescheduled match and the match is not played due to a conflict-the penalty will be a default if one team cannot play the match or a double default if neither team can play the match. Substitutions are allowed for injury, illness, disqualification, or no-show of a player and when rain or inclement weather forces the cancellation and rescheduling of a team match. An individual match is started when the first ball is put in play. Substitutes are not allowed to the original lineup that results in a player being moved to a different position when rescheduling a team match due to rain or inclement weather.

3.01H(4) Two players will play together in the higher position when both their partners do not show in order to avoid two defaults.

5.01H Competition Format.

5.01H(1)a Local Match Scheduling

All team captains declaring City Park or UTC as their home court will submit court rental fees to the Level or Local Coordinator as instructed, (see 1.04A(2), who will schedule and reserve all team host matches at that facility. Scheduling will also be done for teams using their club courts, but any court fees and court reservations will be handled between the captain and the respective club.

5.01H(2)a Team Forfeits and Defaults

A team must have a minimum of four eligible players available for play in each match or the entire match must be forfeited. A team may forfeit a maximum of one position in a match without forfeiting the entire match. In such cases, forfeits shall be determined by the team captain in accordance with the following:

Doubles. The No. 3 doubles must be forfeited before the No. 2 doubles and the No. 2 doubles must be forfeited before the No. 1 doubles. If a team forfeits an entire match (plays less than 2 courts) for any reason during local league play, then all matches of that team, played or to be played shall be null and void. If all teams in contention to advance have already played the forfeiting team in good faith, the matches will stand as played. A committee will review any extenuating circumstances. Additionally, the local league administrators may impose sanctions against the captain and/or team members by denying entry into next year's league program.

5.01H(4) Team Lineups

Completed team lineups will be exchanged by the team captains simultaneously **five minutes before match time.** All points awarded for forfeits during the original lineup will stand.

Any player involved in such forfeits cannot participate in a rescheduled match. Substitutes are allowed in team lineups after they have been exchanged if that individual match has not started and default time has not occurred. Substitutions are allowed for injury, illness, disqualification, or no-show of a player and when rain or inclement weather forces the cancellation and rescheduling of a team match. A substitute is defined as ... (See Sectional Rule 3.01H (4)a. An individual match is started when the first ball is put in play. Players in the New Orleans local league will observe a ten-minute warm-up, which includes serves. Default is fifteen minutes after scheduled match time.

Ineligible Players: Failure by the team captain to place a known ineligible player in either the lowest singles or doubles position may result in the ineligible player's team losing any individual doubles or singles matches won at the lower positions. The team captain who is playing a known ineligible player must notify the opposing team captain at the time team line-ups are exchanged by indicating a forfeit in the affected position.

5.01H(4)c Rain Delay & Rescheduling Matches

ALL MATCHES WILL BE PLAYED ACCORDING TO THE SCHEDULE UNLESS FACILITY CLOSES.

Teams must wait one (1) hour (day teams) and one half hour (night teams) to determine if courts will become playable. Courts must be playable by 10:00 am (day) "or" 7:00/split match, 7:30/regular match (night). This rule applies when teams arrive at a facility and it has just stopped raining (court can be dried) or rain is so light that it may stop raining within a few minutes (and courts can be dried). Do not exchange line-ups until courts are playable. **IF RAIN SHOULD OCCUR DURING PLAY, THE SAME RULE APPLIES AND THEN PLAY SHOULD RESUME. WHEN A DEFAULT HAS BEEN GIVEN PRIOR TO LINE-UPS BEING EXCHANGED, AND RAIN OR INCLEMENT WEATHER CANCELS THE MATCH, THE DEFAULT NO LONGER STANDS.**

The host captain is responsible for rescheduling any canceled and/or interrupted matches. Canceled or interrupted matches must be completed within 2 weeks of the original match date. The host captain must contact the guest captain within 24 hours of the rained-out or interrupted match and offer (3) possible make-up dates. **Guest captain has 24 hours to respond and agree to a date. DAY TEAMS MUST GIVE WEEKDAY MORNING DATES--- NIGHT TEAMS MUST GIVE WEEKDAY NIGHT DATES WITH THE OPTION OF 1 WEEKEND DATE. THE LOCAL OR LEVEL COORDINATOR SHOULD BE NOTIFIED OF THE RESCHEDULED MATCH DATE.**

If team captains cannot agree on a date and time for a rescheduled match and there has been no attempt to play the match within the 14 days, the league coordinator will then choose a match time and location. If the Coordinator chooses a date and time for the rescheduled match and the match is not played due to a conflict-the penalty will be a default if one team cannot play the match or a double default if neither team can play the match. Substitutions are allowed for injury, illness, disqualification, or no-show of a player and when rain or inclement weather forces the cancellation and rescheduling of a team match. An individual match is started when the first ball is put in play. Substitutes are not allowed to the original lineup that results in a player being moved to a different position when rescheduling a team match due to rain or inclement weather.

5.01H(4)d Two players will play together in the higher position when both of their partners do not show in order to avoid two defaults, if possible.
